More than 50 dioceses adopted the Paris Breviary

In other districts new ideas quite as alien to the Roman Breviary were followed

At Rouen Dr Urbain Robinet, in his desire to check the spread of the Paris Breviary, embodied his principles in a new one in wh. the hymns were of his composition (they owed their inclusion quite as much as those afterwards to Coffin)

PRIMAT DE NORMANDIE;

ABBÉ, CHEF,

SUPÉRIEUR-GÉNÉRAL,

ET ADMINISTRATEUR PERPÉTUEL

DE L'ABBAYE

ET DE TOUT L'ORDRE DE CLUNY.

MONSEIGNEUR,

Il y a long-temps que j'avois formé le projet de donner une nouvelle Edition des Hymnes de votre Dioceſe. Mon deſſein étoit d'en

faciliter le chant, & de le perfectionner. Grand nombre de Meſſieurs mes Confreres les Curés m'ont animé à l'exécution de cette entrepriſe, dans l'eſpérance d'en tirer un grand ſecours pour la décence de l'Office Divin dans leurs Egliſes. Et vous, MONSEIGNEUR, *qui ne dédaignez rien de tout ce qui peut contribuer à l'édification des Fideles de votre Dioceſe, vous avez bien voulu agréer ce foible eſſai : vous permettez même qu'il paroiſſe ſous vos auſpices. A ces traits, on reconnoîtra cette bonté ſupérieure à tous les éloges que mérite la ſageſſe de votre gouvernement. Rien ne peut égaler ma reconnoiſſance, que la plus profonde vénération avec laquelle j'ai l'honneur d'être,*

MONSEIGNEUR,

DE VOTRE GRANDEUR,

Le très-humble & très-obéiſſant Serviteur,
POISSON, Curé de Bardouville, en Roumois.

APPROBATION.

NOUS , ſouſſigné , Prêtre , Chanoine & Grand-Chantre de l'Egliſe Métropolitaine de Rouen , Bachelier de Sorbonne , & Licencié en Droit : avons lu & examiné , ſous l'autorité de Monſeigneur l'Illuſtriſſime & Révérendiſſime DOMINIQUE DE LA ROCHEFOUCAULD, Archevêque de Rouen , Primat de Normandie , déſigné Cardinal , Abbé , Chef , Supérieur-Général , & Adminiſtrateur perpétuel de l'Abbaye & de tout l'Ordre de Cluny , ce Livre *d'Hymnes & de Proſes , pour les Dimanches & Fêtes de l'année , ſelon les Bréviaire & Miſſel de Rouen* , & Nous avons remarqué que les corrections faites au plein-chant ne peuvent contribuer qu'à le rendre dans ſa pureté , & l'application du chant ſur chaque ſtrophe des Hymnes , Nous a paru très-utile à fixer dans le Dioceſe une uniformité qu'exige la décence de l'Office Divin. A Rouen ce 4 Juin 1777.
